

## Trump's Martial Law

Americans have been watching a massive, controlled Military Operation who strategically and critically planned and successfully trapped the Washington Establishment... Made them all confess their crimes and play a role in this operation piece by piece... as Americans have had to visually see and witness a 'Continuation of Government' in the form of a "Presidential Administration" where these corrupt and evil people will, have, and will continue to destroy their system from within, spend all of their dirty money doing so, until it's time for the Military to visually step in.

The timelines all add up and prove the Military Operation and Occupancy:

29. More News Articles establishing Space Force Command Centers with zero mention of Biden - December 2022

Those few timelines and timestamps do nothing but prove a Military Operation and Occupancy along with many more Laws, Codes, Orders, Statutes

The National Guard has been out of their state militia status and operating as Active-Duty Status every day since they were Federalized in March 2020. There's MORE than enough documentation and 'proof' to show not only the National Guard, but also thousands of World Alliance Aircrafts in and out of the United States and National Guard bases.

There's United States Coast Guards with United States Navy at their stations. USCG is Department of Homeland Security during Peacetime and transferred to the Department of the Navy during Wartime.

The Brunson vs. Adams case simply states the obvious... Congress violated the Constitution
